

ABOUT US

TEACH ~ TRAIN ~ TRANSFORM ~ TESTIFY

TP Family Social Services is an extension of Turning Point Family Worship Center that has been established to help our community and church family in times of need. We provide assistance with resources and referrals to our community partners. In addition, we provide limited counseling services to our church families when experiencing difficult times.

We are a service that strives to help those in need and those who may not have anywhere else to turn, for guidance or help.

01 MISSION STATEMENT

We are a Social Service Ministry that strives to increase the quality of life with every person that we serve: by collaborating with other agencies to create a valuable community partnership that complements the services we offer.

Turning Point Family Worship Center

- T** - To touch the lives of others through the Word of God.
- P** - Preparing them for the challenges of today through education, and mentoring.
- F** - Focusing on families.
- W** - While teaching them life skills and giving them hope, we
- C** - Continue to reach beyond borders and Love as Christ has loved Us

02 SERVICES WE OFFER

- Benevolence funds can assist members of Turning Point FWC and those in the community that have critical challenges, in helping with financial support in various situations, pending approval.
- Outside referrals to community partners as needed.
- Gas Cards and Bus passes.
- Counseling Services that teach coping skills to the members of Turning Point FWC that are experiencing difficult times.
- Life Skills to assist with daily functions.
- Transitional Housing (must qualify for assistance)
- Prayer requests
- Saturday Quarterly Empowerment workshops (open to everyone); please invite a friend.

03 INTAKE PROCESS

Please visit our website Online.

www.turningpointfwc.com/family-social-services to complete a brief Request for Assistance form. Once the form has been completed, you can schedule an available time to meet for assistance. If a request for services has been made more than once per calendar year, Social Services may request your help in the future with a volunteer opportunity.

Request for Services:

When requesting assistance, please allow 48-72 hours for a response. If the need is emergent please complete the request form and email tpfss@turningpointfwc.com

Giving back:

Our goal is to make a difference by serving those in need. We feel there is great fulfillment in giving back to others. Therefore, if a request for Social Services has been made twice within the last calendar year before receiving assistance, you may be requested to join one of our community partners in mentoring and or volunteer at our Food and Clothing pantry.
